Dear Ms. Worley:

This letter is to certify that the section of the National Student Exchange (NSE) Membership Agreement that is titled "U.S. Department of Education Title IV Student Assistance" meets the requirements under the Federal Title IV Student Assistance regulations at 34 CFR 668.5(a). Those regulations relate to instances when an eligible institution enters into a written arrangement with another eligible institution to provide all or part of the educational program. Separate or individual (institution: institution) agreements are not necessary for students participating in the NSE exchange program.

The NSE Membership is an agreement by and between institutions and not simply an agreement between an institution and NSE. Under this arrangement, NSE agrees to inform all member institutions of any digression from NSE policy and procedures as it relates to Federal student aid. NSE will formally communicate with its member institutions when an institution enters into or terminates the NSE agreement.

If you have any questions, please contact Sandy Ninemire of my staff at sandra.ninemire@ed.gov.
